

THE CALM BEFORE THE AISLE

An Adult Coloring Book for Brides,
Bridesmaids & Wedding Planners

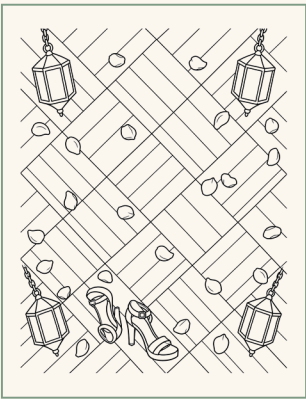

Fifty quiet pages for the loudest season of your life.

Invitations and ring boxes, bouquets and dance floors,
seating charts and the shoes you kicked off at midnight —
drawn in clean, generous line work made for colored pencil.

Every page is printed on its own sheet with a blank back, so
nothing bleeds through and any page can be torn out and framed.

No deadlines. No seating politics. Just one page at a time.
