STANDING REQUIREMENTS

- Registration desk must stay staffed until 10:00 — walk-ins arrive late.
- One person on comms at all times; the planner is not counted as floor cover.
- Cedar Room has no in-house AV, so someone must start and monitor every session in it.
- Room turns are done by event staff, not the venue: Oak Room during the morning break, Main Hall twice around lunch.
- Every member of staff is entitled to a 30-minute break somewhere in the day.
